

## Funtown Play Cafe Balloon & Decoration Policy

To ensure a smooth setup, consistent appearance, and the safety of our guests and staff, Funtown Play Café has established the following balloon and decoration policy for all private parties:

- **Outside balloon vendors are not permitted.**
- Balloon garlands and custom balloon installations must be purchased through Funtown Play Café.
- Guests may bring their own balloons to be filled with helium. Since we have helium on-site, we are happy to inflate balloons for you.
- Air-filled balloon garlands, arches, or pre-assembled balloon structures from outside vendors are not permitted.
- Once balloons are purchased through Funtown Play Café, all balloon setup and cleanup will be handled by staff.
- Guests may bring other decorations such as table décor, banners, and themed items.
- Piñatas are not permitted.
- Adhesive backdrops or decorations requiring tape, glue, or wall adhesives are not allowed.
- Clips are provided for use on our backdrop stands.
- If decorations are dropped off prior to the party date, all items requiring assembly must be delivered fully assembled. Funtown Play Café staff will not assemble backdrops, frames, stands, or décor structures.

By booking a party at Funtown Play Café, you acknowledge and agree to follow this policy. This policy is included as part of the party waiver signed at the time of booking.
